Dear Organiser,

2023 Shrewsbury Flower Show - Allotment Society Competition Application - Closing Date 14th July 2023

We are delighted to invite your allotment society to be part of the famous Shrewsbury Flower Show, on Friday 11th and Saturday 12th August 2023.

Gardening and growing has proved to be an important part of supporting people in so many ways over these recent years.

We would very much like your allotment society members to create a display at this year's Show. It is hoped that this display can be used to encourage more people to grow their own food and share their achievements and downfalls, and to become allotment holders of the future. Members of your allotment society can also be on hand to provide information and guidance to members of the public. The raised bed will be judged by the Celebrity Gardener and a £100 Prize awarded to the winner.

Each allotment society will be provided with a raised bed, either 2m x 1m x 30 cm or 2m x 2m x 30cm (please confirm which size you require on the application form), which can be used to create a display showcasing what your allotment holders are growing.

We hope this new exhibit will provide you with an opportunity to promote the benefits of allotment holding. Closing date for applications is Friday 14th July 2023. The exhibits can be set up from Wednesday 9th August and must be completed by 6pm on Thursday 10th August.

If you would like to be part of this exciting new time to share your exhibit and enter our competition at this year's Shrewsbury Flower Show, please complete the enclosed application form and send to info@shrewsburyflowershow.org.uk by 14th July 2023.

If you have any queries in the meantime, please do not hesitate to contact me on 07912 265000 or by emailing ann.thrower@yahoo.co.uk.

We look forward to helping your Allotment Society inspire and support gardeners, old and new.
